

FQA#2 – What are the MHAAC’s priorities?

- To help our Manufactured Housing Industry become the first choice for housing in Atlantic Canada by growing its market share
- To be the voice of the industry in all sectors including housing, finance, building officials, government, and home builders associations
- To represent our members in a professional manner and to work on behalf of our members for the betterment of our industry
- To act as a liaison with government departments and other associations on issues that affect our industry
- To ensure that manufactured housing interests and benefits are heard within the other associations affecting our industry
- To attract new members
