

FQA#8 – Can I “test-run” a membership, e.g., come to a function, before I make up my mind?

All potential members are welcome at our general meetings and find them to be a great “test-run” when considering a membership.

You are welcome to attend a meeting to acquaint yourself with the environment. Voting is limited to members only.

Contact our Executive Director for more information and/or to confirm your attendance at our next scheduled meeting:
