

FQA#9 – What are some examples of the association’s past successes

- Worked with Canadian Manufactured Housing Institute (CMHI) to get Chattel Loan Program (CLP) program in place
- Input as it related to GST Housing Rebates
- Developed standardized Landlord Consent form for lending institutions
- Transportation MOU
- Cargo securement
- Improvements in the NS Residential Tenancies Act
- Reduction in building permit fees for manufactured homes in Bridgewater, NS
- Making sure that Manufactured Housing is included in NS government incentive rebate programs
- Inclusion of Land Lease Communities (LLCs) in the NS Assessment Cap Program
- Influence – most government departments now come to the association for input prior to making regulatory changes
- Provided valuable input on the proposed changes to industry building codes (CSA-A277, CSA Z-240 & CSA Z-240.10.1)
